Changing Lives in Hurricane-Damaged Fort Myers

Part of honoring our past is recognizing how God has used your prayers and generosity to help us impact hurting lives.

And this was certainly the case after Hurricane Ian decimated the Fort Myers/Naples area of Florida in late September.

Thankfully, our CTN station there was relatively unscathed ... but the destruction to the area was widespread!

We reached out to be the hands and feet of Jesus — as the Great Commission is what CTN is all about since our inception in 1979. With your help we ...

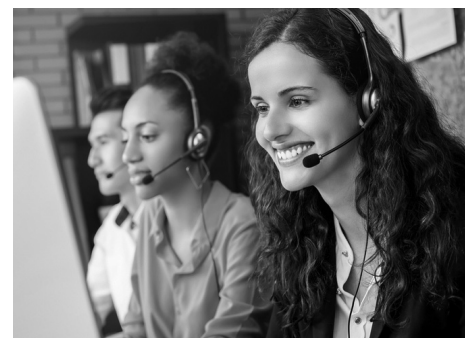

- Distributed aid on the front lines of disaster relief.
- Produced and aired our *Hands of Compassion Outreach* special, raising over \$25,000 in relief aid, to ...
- ➔ Help severely damaged Fort Myers Christian Outreach Center clean-up and purchase new computers.
- ➔ Give away \$50 gas cards to those delivering aid to the aftermath of the hurricane.
- ➔ Sponsor five families in Immokalee Florida, one of the nation's largest migrant communities, providing aid and Christmas gifts for the children.
- ➔ Participate in a toy drive in the same migrant community.

Thank you for continuing to support your Christian Television Network. Every dollar given is changing lives and giving us the opportunity to bring Jesus to people from all walks of life.

CTN is looking for Prayer Warriors!

Volunteers are needed for our prayer hotline! We had **64,184** calls into our prayer line in 2022 ... and only expect this number to grow this year! If you are a person who feels called to pray for and with others and would like to join us in this crucial role, please reach out to us at 727-535-5622.

And if you ever need prayer, call our hotline at 727-535-7729.
We're always here for you!

Holiday '22 Updates

God's name was lifted high, His Gospel shared through you and CTN this past Holiday season.

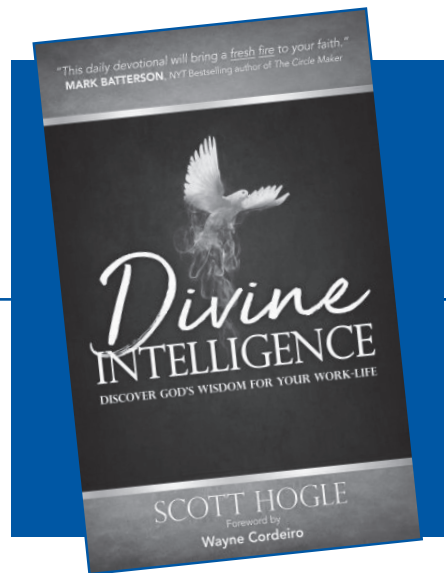

Thanks for standing with us to make it happen!

- We did a food drive with Metro Ministries and filled two "Metro Barrels" with lots of dry goods like tuna, peanut butter, and cereal, in addition to Thanksgiving items, like stuffing and cranberries. We are looking forward to doing more outreaches with them in the future.
- Our Christmas specials, *Why the Nativity?* and *What if Jesus Had Never Been Born* were incredibly well-received and impacted many lives. We pray these specials were a blessing to you and your family, too.

We filled two of these barrels with food for the homeless! On a tour of Metro Ministries, we learned they house over 100 homeless families in their dorm facilities and feed over 1,500 meals per day.

Thanks for helping us share the love of Christ in this way.

We are thrilled to be offering this Amazon best-selling devotional. *Divine Intelligence* by Scott Hogle offers a 52-week devotional that is perfect for professionals in business, ministry, and everyone in between. As the new year begins, we have chosen a theme of "Honoring the Past, Strengthening for the Future." We at CTN believe that this is a great way to start YOUR new year, and a great way to start every week. You will receive a copy with your gift of \$50 or more. Thank you for supporting your Christian Television Network.

Children's Home of Love Celebrating 20 Years!

20 years of hope.

20 years of love.

20 years of pouring worth, value — and the promise of a bright future — into children pulled off the streets of Nepal.

Our president, Yolanda, and her husband Brian, just returned from a trip to Nepal to spend time with everyone at Children's Home of Love. The boys played in a soccer game that was so fun to watch! They visited the private school where the younger children are educated, attended church where the older ones serve as leaders. They had a pizza party and a barbeque to welcome back the graduates of Children's Home of Love for a night of fun and encouragement.

Yolanda and Brian loved hearing how these young men and women are living their lives ...

- One opened a grocery store with a sibling.
- Another is a chef in a high-end hotel.
- Several are working in the hotel service industry.
- There's a teacher, a pharmaceutical rep, and a youth leader in a church.
- Another works as a field agent rescuing girls from the sex trafficking industry.

What a beautiful legacy we've built together over these last 20 years! We are so grateful for the manager, house parents, and mentors that work with our children. We are also grateful for friends like you that have given to this life-saving outreach.

Every penny donated to Children's Home of Love goes to help, house, and educate the children. There is no overhead cost to CTN. If you'd like to give again today, please remember to mark your donation in the memo "Nepal Outreach."

Our Children's Home of Love in Nepal has changed the lives of hundreds of children, pulling them off the streets, providing an education, pouring in value and worth ... and sharing the love of Jesus. Thanks for 20 years of dynamic ministry!
