“NOW faith is the substance (assurance) of things hoped for, the evidence of things not seen.” Hebrews 11:1

This year, 2021, is going to be a study about **FAITH**. Corrie Ten Boom stated this: *“Faith sees the invisible, believes the unbelievable, and receives the impossible.”*

There are many different kinds of faith, which we will look at this year, but let’s start with the above verse, found in the faith chapter of the Bible (Basic Instruction Before Leaving Earth); Hebrews chapter eleven. Part of studying a verse is looking up the meaning for words within that verse. Following are some of the keys word found in verse one; their usage and meaning.

***NOW** = (adverb) at the present time or moment. "where are you living now?" *synonyms: [at the moment](#), [at present](#), [just now](#), right now, at the present time, at the present moment, at this time, at this moment in time, [currently](#), [here and now](#), [presently](#), at the present minute, [nowadays](#), [today](#), [these days](#), [in this day and age](#), in the present climate, in the present circumstances.*

***FAITH** = (noun) complete trust or confidence in someone or something. strong belief in God or in the doctrines of a religion, based on spiritual apprehension rather than proof.

***HOPE** = (noun) a feeling of expectation and desire for a certain thing to happen; trust. (verb) want something to happen or be the case; expect; anticipate.

***Evidence** = (noun) the available body of facts or information indicating whether a belief or proposition is true or valid. - (verb) be or show evidence of.

Now, go back and read the verse again at the top of the page. Do you look at that verse in a new way? I pray that you will have a better understanding of what God and the Holy Spirit are trying to teach you.

We need to understand what Faith in God really is! Too many believers are walking in fear and not by Faith. There is no **God** in fear, only little gods (with a small “g”) of the world’s making. **Rise up in Faith in 2021!**
