“Call unto me, and I will answer thee, and show thee great and mighty things, which thou knowest not.”

Jeremiah 33:3 KJV

This month I am going to share about the trip I got to take to the Prayer Tower on the ORU Campus in Tulsa, Oklahoma just a few weeks ago. We have been discussing Prayer and Faith for several months and I thought my experience at the Prayer Tower would be good to share at this time. I had never thought about going to see this God inspired place; but I am so blessed that I did! As you walk up to the tower you first come to a beautiful garden – The Reece Memorial Gardens known as “The Prayer Gardens”. So many beautiful flowers, trees, grass and green plants everywhere! Almost took my breathe away as I thought about what the Garden of Eden must of looked like, but I realize that it had to be even more than I can imagine because sin and evil entered in when Adam and Eve fell in the garden. The garden surrounding the Prayer Tower contains a bronze statue of Jesus and two ORU students, designed by Beverly Paddleford. On the information sheet it says that this is an artistic reminder that students come to ORU to learn God’s will by sitting at Christ’s feet. The Prayer Tower was created in 1967 as a symbol of our need for prayer and communion with God. The Observation Deck on the second floor has seven places to stop and pray while overlooking the ORU campus. As I completed the walk around the deck, I decided to enter the prayer room in the center of the tower. I was not prepared for the experience I was about to have – God’s presence met me as I stepped through the door. It took my breathe away for a second, and then I felt the presence of God so strongly that tears started to flow down my cheeks. In fact, I can feel it now as I am typing! I will never forget this very special time with God! Will continue with more next month . . . Make time to talk to God every day! ~ **Be Blessed, Donette**
